We are pleased to inform that our management system is digitally managed in a single platform Management System Made Easy with the support of **"RIMBUSS Private Limited, India (A unit of AL Manal Management Company- CR No. CN-1008889, PO Box No. 111569, Abu Dhabi United Arab Emirates)**

The following Standards are integrated and supported by the above management systems and digital solution provider: -

- ISO 9001:2015 "Quality Management System"

The system has the capability to integrate other national and international standards, customizable workflow based on the facility requirement and effectively support the entire management system.

We, at AG Electro Services, Karad (Maharashtra) facility, have been using this application since January 2025. We are working closely and interacting with their team for customization and for adding new requirements related to our organization. The application is being implemented in phases, and some development and configuration activities are still ongoing. However, the implemented modules meet our requirements for managing the complete management system workflow, data, and documents on the IMS Application platform.

We have received complete support during the implementation process, and issues have been and are being fixed promptly by their support team

With recommend RIMBUSS Pvt. Ltd. – IMS Application to digitally manage the companies Integrated Management System on a single platform.

Best Regards,
