Subject: Re: Visit Summary and Module Status - Imperial Auto Industries,Benglore (27-28 Jan 2026)

Dear RIMBUSS Team,

Thank you to the Rimbuss IMS project team for conducting the demo of the module along with the sample example. The explanation was clear and well-structured, which made the each module easy to understand.

Although the concept looks simple, we believe regular practice will be required to gain confidence and ensure effective implementation. Your support and guidance during this phase will be highly appreciated.

Yes we are confirming that below listed 6 modules with sample practice and workflow with our team completed on sample basis , during practice/ Uploading documents/ data entries if any concern our team will approach on call to your team to support and resolve

Once again, thank you for your effort and support.

Thanks & regards

Sanjeevkumar Jujare
